A Catholic Experience Unlike any Other

*At the 10th National Eucharistic Congress, our Catholic family will gather to experience **profound, personal renewal** through the power of Christ's love. Like a new Pentecost, this transformation will **flow out***

from Indianapolis to bring revival in our communities as the Church returns to her first love—the source and summit of our faith.

*The Congress is **a moment for the whole Church in the United States** to be **united in prayer**. Tens of thousands of Catholics are gathering in Indianapolis for this historic event, but we understand that not everyone is able to participate in person. That's why we're doing everything we can to make it easy to follow along from home!*

*Sessions in Lucas Oil Stadium will be **livestreamed on the website**. You can also look forward to **live coverage from our partners at EWTN and Relevant Radio**.*

Sixteenth Sunday in Ordinary Time

In today's Gospel, **Jesus**, seeing how tired the Apostles were having reported all they had done and seen, **invites** them to **"Come away. . . and rest a while."** Have you ever noticed that the more time-saving machines we make, the less time we have? For what are we "saving time"? The most common excuse/complaint I hear today is "I don't have time" or "I am so busy. There are just not enough hours in the day to do all I have to do."

Peter Kreeft, in his book *The Man Who Left His Mark*, asks the question: "What does Jesus think of the egalitarian modern world?" The answer: "As he [Jesus] landed he saw a **great throng and he had compassion on them** because they were like sheep without a shepherd." In Jesus' time, followers followed their leaders. Today, it seems as though leaders follow their followers.

ON THE LIGHTER SIDE

Thunder was booming, and rain was beginning to fall, when a young sprout asked her grandfather, ***“Does it rain all by itself...or does God push a button?”***

THE EUCHARISTIC MIRACLE OF LANCIANO

In the Eucharistic Miracle of Lanciano, Italy in 750 A.D., at the Church of St. Francis, A monastic priest ***doubted*** whether the Body of Our Lord was ***truly present in the consecrated Host***. He celebrated Mass and when he said the ***words of consecration***, he saw the ***host turn into Flesh and the wine turn into Blood***. Everything was visible to those in attendance. ***The Flesh is still intact and the Blood is divided into five unequal parts which together have the exact same weight as each one does separately.***

Dr. Edward Linoli, professor of anatomy, histology, chemistry, and clinical microscopy, performed a thorough scientific examination on the relics of the miracle which had occurred twelve centuries earlier. On ***March 4, 1971***, the professor presented a detailed report of the various studies carried out. Here are the basic results:

- ❖ The “miraculous Flesh” is ***authentic flesh*** consisting of muscular striated tissue of the myocardium.
- ❖ The “miraculous Blood” is ***truly blood***.
- ❖ ***The flesh and the blood are human***, and that both belong to the same ***blood type AB*** – the same blood type as that of the ***man of the Shroud*** and the type most characteristic of Middle Eastern populations.
- ❖ The proteins contained in the blood have the normal distribution, in the identical percentage as that of the serous-proteic chart ***for normal fresh blood***.
- ❖ No histological dissection has revealed ***any trace of salt infiltrations or preservative substances*** used in antiquity for the purpose of embalming.

In 1973, the ***World Health Organization*** appointed a scientific commission and ***corroborated Linoli's findings. Their work lasted 15 months and included 500 tests.***

The 5 clots of Blood as seen with a magnifying glass. In the Blood of the miracle can be recognized all the components present in fresh blood, and the miracle within the miracle, each of the 5 clots of Blood weighs 15.85 grams, which is the identical weight of the 5 clots weighed together !

Pray the Novena for America

(Composed by the Catholic Company staff and is directed to the intercession of the Blessed Virgin Mary, Patroness of the United States of America)

Novena prayer to be recited daily for nine days:

Mary, Queen of Heaven and Earth, intercede for us, your children in America, as we pray for our nation, our military, and our families.

We pray for our government leaders, that they will make just decisions and govern us in accordance with truth and the principles upon which our nation was founded.

We ask protection for those serving in the military and for our first responders. Bless them and their families as they sacrifice themselves to keep us safe.

We pray for our families. In a culture that seeks to destroy the morals and values upon which this country was founded, may our families be united in faith and charity.

Reclaim this great country for your Son's glory, that under His protection and guidance, we may stand together as a people of faith and trust in Him for the changes we seek.

Our Father...

Hail Mary...

Glory Be...

The Memorare:

Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to thy protection, implored thy help, or sought thine intercession was left unaided. Inspired by this confidence, I fly unto thee, O Virgin of virgins, my mother; to thee do I come, before thee I stand, sinful and sorrowful. O Mother of the Word Incarnate, despise not my petitions, but in thy mercy hear and answer me.

Amen.

Eucharistic Revival

The glorious resurrection of Our Lord continues in the glory of this most Blessed Sacrament, because this is where Our Risen Savior dwells, pouring out His life, His light, and His love to all who come into His Presence.

A true Christian is one who believes that Jesus is alive today in the Blessed Sacrament—living, dwelling, loving and calling us to Himself.

If our faith in the Eucharist is weak, then we simply pray "Lord, I do believe, help my unbelief" (Mk 9,24)
