Our Lady, Undoer of Knots

In times of adversity, when there seem to be no clear solutions, we can turn to Our Lady to help us untangle the knots we make in our lives. The knots of wounded relationships, marital issues, financial problems, unemployment, illnesses, addiction, isolation, alienation, violence, sickness, and uncertainty, and anything else that stands in the way of our relationship with God.

- Crosier Fathers and Brothers

DEVOTION TO
OUR LADY, UNDOER OF KNOTS
Pope Francis has always had a strong devotion to Our Lady, Undoer of Knots, which originally came from Augsburg, Germany. When he was a young priest, he brought the devotion to Argentina, and from there it spread to Brazil and today around the world.

Happy Mother's Day

On this Mother's Day, let us be thankful for our mothers, and all they do for us. One thing my mother did very diligently for me was keep a baby book. I guess she wasn't the only one to do so.

Molly, my friend's young daughter, surprised me with a secret during an afternoon walk.

"Did you know I was born without feet?" she revealed.

When I quizzically asked for details, she explained, "I was reading my baby book, and one page it says: 'First noticed feet at 6 months.'"

Oldest Known Prayer to Our Lady

This ancient prayer, known in Latin as Sub Tuum Praesidium and first found in a Greek papyrus, c. 300 A.D. is the oldest known prayer to the Blessed Virgin Mary.

We turn to you for protection,
 Mother of God.
 Listen to our prayers
 And help us in our needs.
 Save us from every danger,
 Glorious and blessed Virgin.
 Amen.

Ponder This....

At this moment, someone is praying for us, and our soul is being vitalized by the suffering, the work or the prayer of people whom we perhaps do not even know. One day, in the presence of God, at the moment of the particular judgement, we will see these immense contributions which kept us afloat on many occasions, and on others helped us draw a little closer to God.

- Fr. Francis Fernandez - "In Conversation With God"

Mary & The Saints

Mary, Virgin without stain, has made up for the fall of Eve: And she has crushed the head of hell's serpent with her immaculate heel.

Daughter of God, Mother of God, Spouse of God... The Father, the Son and the Holy Spirit crown her as the rightful Empress of the Universe.

And the angels pay her homage as her subjects...and the patriarchs and prophets and Apostles...and the martyrs and confessors and virgins and all the saints... and all sinners, and you and I.

St. J. Escrivá
