The Epiphany of the Lord

Today's feast is not the first epiphany, just the first epiphany **to the Gentiles, to the rest of the world.**

And the epiphany is what has been **going on for the last two thousand years.** It has been happening supernaturally by the action of the Holy Spirit; and naturally, by human cooperation with God's grace in us, his instruments. We do this by show and tell. We show Christ by our love. We tell by speaking directly to other people.

- Peter Kreeft in *Food for the Soul*

The Gifts of the Magi

"To offer gold is to proclaim Christ's Kingship, to offer incense is to adore his Godhead, and to offer myrrh is to acknowledge his mortality."

~Saint Odilo of Cluny
