### *Feast of the Holy Family of Jesus, Mary and Joseph*

In today's Gospel, notice that the angel comes to Joseph and not to Mary. The husband has the responsibility for his wife and child in a special way. **This does not mean the husband is superior, just that husbands have a different role from wives.**

Think: If God had not sent his angel to warn Joseph, **and if Joseph had not obeyed**, or if **Mary had refused to go with him into Egypt, Jesus would have been killed as a baby**. Thus we would have no Savior and no hope of heaven. This is about us and our eternal future!

## The Importance of Family

Every **happy, long-lived and successful society** has a high view of the family: Jewish society, for 3500 years; Chinese Confucian society, for 2100 years; Islamic society, for 1400; Roman society, for 700 years.
