Why are those who are notoriously undisciplined and unmoral also most contemptuous of religion and morality? They are trying to solace their own unhappy lives by pulling the happy down to their own abysmal depths.

-Fulton Sheen

Beware of E-mail Scammers

Scammers are once again active using fraudulent emails and text messages to lure parishioners into falling for their tricks. Please be aware of this serious matter that has been brought to our attention. If you receive an email or text pretending to be Father Innocent Subiza, please don't respond. Do not open any attachments or click on any links within the email or text as they may be compromised. It is good to know that Pastors or other clergy members typically do not solicit donations via email or text messaging. Be vigilant!

-Fr. Innocent Subiza

Cuidado con los estafadores de correo electrónico

Los estafadores vuelven a estar activos usando correos electrónicos y mensajes de texto fraudulentos para atraer a los feligreses a caer en sus trucos. Por favor, tenga en cuenta este grave asunto que nos ha llamado la atención. Si recibe un correo electrónico o mensaje de texto haciéndose pasar por el padre Inocencio Subiza, no responda. No abra ningún archivo adjunto ni haga clic en ningún enlace dentro del correo electrónico o el texto, ya que pueden verse comprometidos. Es bueno saber que los pastores u otros miembros del clero generalmente no solicitan donaciones por correo electrónico o mensajes de texto. ¡Estar atentos!

19th Annual Walk for Life West Coast!

This year, it might seem as though the Walk for Life has entered a new era. The Dobbs decision, repealing the atrocity of Roe v. Wade, was an answer to our prayers. But as we know, all Dobbs does is return the decision of whether or not to protect innocent human life back to each state. And, as the passing of California's Proposition 1 shows us, we still have so much to do. So, while we thank God for all the work of pro-lifers over the decades, and for the states that have chosen to protect the innocent, for us here in California, and most surrounding states, nothing has changed. Neither Dobbs nor Proposition 1 has changed the Walk's mission in any way.

Our mission is to proclaim that abortion hurts women. Our mission is to proclaim that women deserve better than abortion. And our mission, yesterday, today, and tomorrow, is to be a shining beacon of hope to women, to society, even to the pro-abortion state government, proclaiming that LIFE, not death is the foundation of choice!

Join us on January 21, 2023 as we witness to the dignity of women and the life and protection of the littlest among us at the 19th Annual Walk for Life West Coast! For more information go to <https://www.walkforlifewc.com> or Email: info@walkforlifewc.com
