## HOLY ROSARY MISSION

FATHER INNOCENT SUBIZA, PASTOR

### ***The Solemnity of the Most Holy Trinity***

The Trinity is a sacred mystery, and therefore, difficult to understand. Peter Kreeft writes: “As Christ mediates the Father to us, the Spirit mediates Christ to us. There are not other pathways to God The Father. No one can know the Father except through the work of the Son...and no one can know

the Son except through the work of the Spirit in the very center of our souls. **Our very act of faith is a grace from God’s Holy Spirit**, a work that God initiates in us, though **we have to freely choose to be open to it and accept it**. God does his part; we often don’t do ours.” ~ Peter Kreeft, *Food for the Soul*

### ***The Most Holy Trinity Symbols***

**The Shamrock, the Fleur-de-lis, the Celtic Knot are symbols for the Holy Trinity.**

Laurel Hammel found a cool image: the kaleidoscope! It is a childhood toy that worked on the principle of reflection. Each time the tube was rotated, the design came together in a new way. Laura says, “the changing patterns are an example of how the three persons of the Trinity move together in compelling and ever-new ways.”

## ON EVANGELIZATION

"The Church is born of the evangelizing activity of Jesus and the Twelve. She is the normal, desired, most immediate and most visible fruit of this activity: "Go, therefore, make disciples of all the nations." Having been born consequently out of being sent, the Church in her turn is sent by Jesus. She remains as a sign - simultaneously obscure and luminous - of a new presence of Jesus, of His departure and of His permanent presence. It is above all His mission and His condition of being an evangelizer that she is called upon to continue. For

the Christian community is never closed in upon itself. The intimate life of this community - the life of listening to the Word and the apostles' teaching, charity lived in a fraternal way, the sharing of bread this intimate life only acquires its full meaning when it becomes a witness, when it evokes admiration and conversion, and when it becomes the preaching and proclamation of the Good News. Thus it is the whole Church that receives the mission to evangelize, and the work of each individual member is important for the whole."

~Pope Paul VI, *Evangelii Nuntiandi* ("To Proclaim the Gospel")

## ROSARY IN JUNE

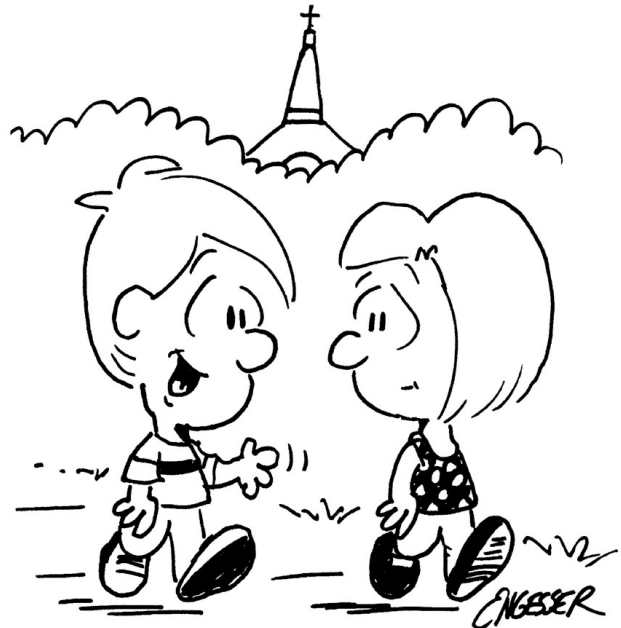

"Comenzando el mes de Junio, los invitamos a todos a rezar el rosario todos los Martes a las 7:00pm en la parroquia Sagrada Familia. El rosario será en español."

Starting the month of June, we invite everyone to pray the rosary every Tuesday at 7:00pm at Holy Family parish. The rosary will be in Spanish.

## ON THE LIGHTER SIDE

Why is June the most popular month for weddings? The ancient Greeks and Romans both suggested marriage during a full moon because of its positive influence on fertility. The Romans favored June, a month they named after Juno, the goddess of marriage, because if the bride conceived right away, she wouldn't be too pregnant to help with the harvest. She also would probably have recovered from giving birth in time to help in the fields with the next year's harvest.
